

St. Rose of Lima Athletic Association

Eyewear: Statement regarding eyewear

Dear Parents of _____:

We are sure you are aware that your child is participating in a contact sport. Since your child presently wears glasses, we are requesting that you have your family eye care professional certify in writing, that your child's eyewear meets or exceeds the current sports' eyewear standards. You may return the bottom portion of this form signed by your eye care professional.

Referees will not allow the use of eyewear that is not strapped to the player's head, as it can become a hazard for both your child and the other players on the field.

St. Rose Sports Association

To: St. Rose Athletic Association:

Certification of Appropriate Eyewear:

The eyewear I have prescribed for _____ is appropriate for following contact sport _____.

Sincerely,

Signature of eyecare professional
