# Our Town

**A PLAY BY THORNTON WILDER**

The play depicts the life of a New Hampshire village—with humor, pathos and picturesqueness—set against a background of centuries of time, social history and religious ideas. It is a beautiful love story told with a simplicity that is often touching, but very real. The play teaches us about life and death. It teaches us to appreciate life and all its joys and beauty and it teaches us to even appreciate death.
