**Academic Excellence in the Catholic Tradition      Est. 1875**

January, 2019

Dear Parents and Guardians,

Peace. God has blessed our school so wonderfully in this our 143<sup>rd</sup> year. We have so many special moments and aspects to note:

- Already we have four high school academic scholarships for our current 8<sup>th</sup> grade.
- Our Christmas Concert delighted all of us including many alums.
- We have had exceptional student leadership for our Masses and prayer services especially for the St. Francis Day service and Our Lady of Guadalupe Mass.
- New materials for Science and Language Arts inspire new goals for our children.
- Our faculty is updating in technology especially with Google Classroom and use of iPads.
- Our Girls Varsity Basketball team holds first place in our league while our Boys Soccer team received the top league award for sportsmanship this fall.
- Our PTA Christmas Bazaar and Cookies with Santa event filled the gym with much fun and a great school community spirit while reaching our goal of raising nearly \$10,000 for the school.

We look forward to continuing our excellence into the 2019-2020 school year. Enclosed is your registration package for the coming school year. Please complete and return all forms and fees no later than Friday, February 22.

- Student Registration Form along with \$200 per Child Registration Fee.
- Signed Contract
- Method of Payment – SMART or Payment in Full by August 9
- Service Form & Signed Service Agreement
- PTA Activity Form along with \$75 per Family Activity Fee.
- One Book Form per Child
- One Bus Form per Child (If applicable)

If you have other children who are not currently enrolled at St. Rose and would like to register them as well, please call the office and a new registration form will be sent to you.

It is **IMPORTANT** that all forms and fees are returned to the office by the date listed above to ensure placement in classes for next year as well as busing and funding for textbooks.

Thank you.  
St. Rose of Lima School
