We thank all of you for your continued partnership and support in providing a quality education for every student that attends St. Rose of Lima School. The true cost of educating a child at St. Rose for the 2021-2022 school year amounts to \$7,500.00. We are trying to bring the deduction for multiple children closer to true cost based on the continuing rising costs. As you can see we are continuing our efforts to contain the cost of tuition while still maintaining the highest standards of education and offering as many programs for our students as possible.

Thank you for your overwhelming commitment of time, talent, and treasure to our school programs.

Sincerely,
Cynthia A. Reimer
Principal
